The Motorcycle Riders Association of Tasmania will ride to show support for StGiles annual Walk with Me this Saturday.

Up to 300 riders are expected to participate in the annual ride from Perth to Alanvale. At the same time, 200 families whose children use StGiles services in Launceston will walk or wheel from the Brisbane Street Mall to City Park at 10.30am.

“Our wheels are a bit slower. To have the members of MRA helping us raise money and awareness for StGiles is very much valued,” StGiles chief executive Ian Wright said.

The MRA will have six stunning bikes on display as part of the Walk With Me warm-up in the Mall from 9am.

It’s not too late to help fundraise for StGiles Walk With Me with a massive incentive provided by Dick Smith, the event’s sponsor.

“Dick Smith Stores have donated a \$500 voucher for the largest fundraiser,” Mr Wright said.

“The MRA chose StGiles to benefit because it knows the service has a long history of providing a local service to those most vulnerable in the community,” the association’s Allan Roark said.

From Perth the MRA will ride to Archer’s Manor for a barbecue and social day.
