# StGiles to Walk with Governor Dec 10

Tasmania's largest children's disability service will hold its annual Walk with Me awareness event around the grounds of Government House on Saturday, December 10.

Her Excellency Professor the Honourable Kate Warner AM and Mr Richard Warner will lead the accessible walk around the garden as part of a Christmas Party they are hosting for Tasmanian children living with disability.

More than 500 guests from all parts of Tasmania have accepted invitations to attend.

During 2016 StGiles supported more than 6000 children from its campuses in Hobart, Burnie and Launceston.

StGiles is one of Tasmania's largest providers of allied health therapies, communication and mobility equipment as well as progressive and inclusive lifestyle support for adults and children living with disability.

“We are so grateful for the chance to have Walk with Me at Government House. Families, friends and carers look forward to our walk every year, usually in front of Parliament House, but this year will be especially beautiful,” StGiles director clinical innovation and enhancement Kirsty Bartlett Clark said.

Walk with Me will start at 11am from Lions Court, directly in front of Government House.
